

NAVAJO NATION

HUNTING AND TRAPPING

PROCLAMATION

JULY 1, 2010 - JUNE 30, 2011

APPLICATION DEADLINE IS JUNE 11, 2010!

www.nndfw.org

IMPORTANT CHANGES

- **General Deer Hunts** are DA, DAL, DM, DY, DG and DD hunts. **General Elk hunts** are EA, EM, EY and EG hunts. An applicant may now select a 3rd and 4th choice in the General Deer Hunt and General Elk Hunt. You are no longer limited to the same hunt code when selecting additional hunt choices. However, you cannot mix General Deer Hunts with General Elk Hunts on the same application. If you apply for a General Deer Hunt, then you may select any of the other general deer hunts for additional choices. The same applies to the General Elk Hunts also. Submit payment for the highest priced hunt of the four choices. If you are selected for one of the less expensive hunts, you will be refunded the difference. If an application contains an insufficient payment amount for one of their hunt choices, they will be disqualified from that hunt choice.
- If you wish to apply for a trophy hunt, you can select up to three DT hunt choices and three ET hunt choices.
- Unless specified elsewhere in this proclamation, 87% of the available permits are reserved for Navajos, 3% of the permits are reserved for Non-Navajo Spouses and 10% of the permits are reserved for Non-Navajos. If the quota is met on an application for one of the applicants, then the entire application will not be selected for that hunt choice. However, the Department reserves the right to remove these quotas if a second Left-Over Permit sale is necessary.
- **Left-Over Permits:** Individuals that were not drawn in the big game draw will have priority in getting Left-Over Permits. Contact the Department of Fish and Wildlife for information on the new Left-Over Big Game Permits Sale Procedures.
- **Mobility Impaired Navajo Hunts:** Mobility Impaired permits are available at a 50% discount. 5 General Deer Permits and 5 General Elk Permits are reserved for Mobility Impaired Hunters. To apply for a Mobility Impaired Hunt make your request to the Department Director and include documentation of a mobility Impaired Card or Doctor's statement

and the general deer or elk hunt code you want. Also include any special needs or hunting regulation variances in the request. Mobility Impaired Hunters must apply individually.

- There are no Navajo/non-Navajo quotas for the doe hunts.
- Spring Gobbler hunters that fail to return their survey card will be placed on the following year's ineligible list due to time constraints with spring gobbler survey card deadlines and fall hunt application deadlines.
- If an applicant cancels their money order or Cashier's Check they will remain ineligible to hunt until they pay the application fee and the insufficient check fees.

IMPORTANT REMINDERS

- **Make Money Orders and Cashier's Checks Payable to THE NAVAJO NATION.**
- **An individual may only apply for one deer and one elk hunt, with the exception of the DT, ET, DNS and ENS hunts. This does not apply to left-over permits. A person is restricted to one permit per hunt code per hunting season (DG, DM, etc.).**
- Navajo **Veterans** and **Senior Citizens** get a 50% discount on permit cost for certain hunts. These discounts require additional documentation (see Navajo Senior Citizen and Navajo Veteran Permit Section) and must be submitted with the application.
- **Non-Navajo Spouses may only receive one permit per species, this includes left-over permits, using the non-Navajo Spouse provision.**
- **Guides must submit two Law Enforcement background checks with their Guide Application. The background checks must be from the Navajo Nation and the state within which they reside. Background checks for first-time guides must go back a period of five years.**
- All incomplete, inaccurate, and illegible applications are subject to being disqualified and returned. **If one applicant is ineligible or disqualified, then all applicants on that application will be rejected.**
- ATV's are not allowed during the hunts, except by special permit. See Navajo Nation Hunting and Trapping Regulations.
- **AG Hunt:** A person drawn for this hunt cannot apply for the AG hunt the next three (3) hunt seasons.
- Legal method of take for Turkey Hunts: **Shotgun and bow only.**
- If you do not receive your big game permit(s) by August 9, 2010, please call (928) 871-6450/6451/6452.
- Camping is permitted while in possession of a valid hunting permit.
- A big game hunter may take COYOTES and WILD DOGS during any big game hunt they are permitted for, in the unit(s) they are permitted for until their big game permit is filled. Only weapons legal for that hunt may be used. A small game permit is not required.
- It is illegal to not tag game immediately upon making a kill.
- For those people born after Jan. 1, 1970, proof of Hunter Education Certification (Card) must be in possession when taking big game.
- **NO ALTERED OR WORTHLESS MONEY ORDERS, CERTIFIED OR CASHIERS CHECKS WILL BE ACCEPTED. IN THE EVENT A MONEY ORDER, CERTIFIED OR CASHIERS CHECK IS RETURNED FROM THE BANK, THE PAYEE WILL BE RESPONSIBLE FOR THE SERVICE FEE CHARGED BY THE BANK, AND THE PAYEE WILL REMAIN INELIGIBLE TO HUNT UNTIL ALL FEES ARE PAID IN FULL.**
- **DUE TO PUBLIC CONCERNS, ALL SPORTSMEN ARE REQUIRED TO PACK IN/PACK OUT GARBAGE FROM ALL AREAS OF THE NAVAJO NATION.**

GENERAL INFORMATION

All big game permits are issued on an APPLICATION and RANDOM DRAWING (if necessary) BASIS to ELIGIBLE PERSONS. Any individual may only apply for one hunt per species for deer and elk, with the exception of the DT, ET, DNS and ENS hunts. This does not apply to left-over permits. A person is restricted to one permit per hunt code (DG, DM, etc.). In the event a person submits more than one application per species for deer or elk, the Department will only accept the first application received. The other application will be returned to the applicant.

Anyone required to have VERIFYING DOCUMENTATION must submit those required documents with their hunt application. If documents are not attached, the application is incomplete and will BE REJECTED.

Any person 12 years of age or older, Navajo or non-Navajo may hunt big game on the Navajo Nation when properly permitted. A person under the age of 12 may apply for big game hunts only if he/she turns 12 years of age before the beginning of the hunt(s) they are applying for and has successfully completed a Hunters Education Class.

Persons under 12 years of age, having successfully completed a Hunter Education Course, may hunt small game without a permit if accompanied by an adult (18 years of age or older) who has a valid Navajo Nation Small Game Permit in their possession.

No one born after January 1, 1970, may take any game without having satisfactorily completed a certified Hunter Education Course. **For those people born after January 1, 1970, proof of Hunter Education Certification (card) must be in possession when taking game animals.**

NO COMPLIMENTARY (free of charge) PERMITS will be issued to any person, with the exception of the Annual Youth Hunt fundraising efforts and promotional/marketing purposes.

A limited number of special permits for deer, elk and turkey may be issued or donated through fund raising events. Pursuant to the Department of Fish and Wildlife Big Game Permit Donation Policy, written requests for permit donations must be received on or before December 31st of each year for the following big game hunt season.

Deer densities in Units 6 through 15, excluding 12, are very low. Animals tend to occur in small, widely spaced "pockets". Most resident elk occur in small, local populations. Hunts are designed primarily to control these expanding elk populations. The department is interested in observation information on this species. Please report any sightings to the Department of Fish and Wildlife.

No person may alter, damage, excavate, deface, destroy or remove any CULTURAL PROPERTIES on Navajo lands. No person may sell, purchase, exchange or transport cultural resources from Navajo lands (Navajo Nation Cultural Resources Protection Act, CMY-19-88).

APPLICATION INFORMATION

Applications with payment must be received at the Department of Fish and Wildlife Office in Window Rock, AZ, by 5:00 p.m., on June 11, 2010. THE DEPARTMENT WILL NOT ACCEPT POSTMARKED APPLICATIONS.

A \$10 Application Processing Fee is included in each permit cost. The application processing fee is deducted from each refund.

NO REFUNDS will be made on drawn or issued permits. PERMITS CANNOT BE TRANSFERRED.

If the permit is lost or destroyed, a DUPLICATE PERMIT may be issued at a cost of \$25.00 each. The person whose permit was lost or destroyed must pick up the duplicate at the Department of Fish and Wildlife Office after filling out and notarizing a sworn affidavit. The Department is not responsible for permits lost in the mail; the \$25 duplicate permit fee still applies. It is the applicant's responsibility to ensure that application information is legible and accurate. If there is an error on the Department's part, the Department will issue a duplicate permit at no cost.

APPLICATIONS are AVAILABLE at Fishing and Small Game permit vendors and the Department of Fish and Wildlife Office.

An **eligible person** is a person who returned their survey card by the due date for all big game hunts he/she had a permit for the previous season; has successfully completed a hunter education course if issued a wildlife violation citation on the Navajo Nation; does not currently have their Navajo Nation hunting and trapping privileges suspended; and are not on the Western State Compact list.

Applications must contain the ORIGINAL SIGNATURE of the applicant, or the applicant's parent or guardian, if the applicant is under the age of 18; include the HUNT CODE, and applicant's Social Security number, HUNTER EDUCATION CERTIFICATION NUMBER if required. Incomplete, ineligible, or incorrect applications will be returned to the applicant. No FAXED APPLICATIONS will be accepted. A NAVAJO CENSUS NUMBER is required for all Navajo tribal members.

Big Game Hunt Applications will be accepted by mail or walk-in. All incorrect or incomplete applications will be returned to the applicant by mail. Please be mindful of the big influx of applications as the application deadline approaches.

The permit cost must be attached to the application and made by MONEY ORDER, CERTIFIED or CASHIERS CHECK only, payable to THE NAVAJO NATION. NO CASH, PERSONAL CHECKS OR CREDIT CARDS WILL BE ACCEPTED.

GROUP APPLICANTS (maximum of four (4) per application) may only apply for the same hunt choices and will be drawn together, except where specifically prohibited. All hunt applications received at the Department of Fish and Wildlife Office will be handled in accordance to the Department's Procedures for Processing Big Game Hunt Applications. For copies of the procedures, contact the Department of Fish and Wildlife.

Applications received by the Department of Fish and Wildlife will be logged in, screened for eligibility and completeness, and entered into the hunt database in preparation for the draw.

Hunt draw results are confidential. Draw result information can only be released to the individual who applied for a particular hunt or to immediate family members. The social security number of the applicant is required.

REGULATION INFORMATION

Please refer to the Navajo Nation Hunting and Trapping Regulations for all regulations. This Section only highlights certain regulations.

ALL FISH AND WILDLIFE ARE PROPERTY OF THE NAVAJO NATION AS A WHOLE. All game, fish and other wildlife are protected on the Navajo Nation and may not be taken, possessed or transported unless specifically permitted. Hunting on the Navajo Nation is a privilege. The Navajo Nation reserves the right to refuse hunting privileges to anyone. All regulations in the Navajo Nation Hunting and Trapping Regulations booklet shall apply. It is your responsibility to familiarize yourself with them.

A person may not use any aircraft to locate or take any wildlife.

IT IS UNLAWFUL TO POSSESS A FIREARM WITH LIVE AMMUNITION IN THE FIRING CHAMBER IN OR ON ANY MOTOR VEHICLE.

It is illegal for non-Navajos to accompany non-Navajo big game hunters in the field, including during scouting. Exceptions are only made for immediate family members. If encountered with a professional, non-Navajo guide, the permit will be confiscated and revoked. Immediate family members are guests on the Navajo Nation and can be asked to leave if warranted.

HUNTER ORANGE REQUIREMENT: Any person (including hunt guides or others accompanying the hunter) in the act of taking big game is required to wear a minimum of 300 square inches of daylight fluorescent orange during any hunt allowing the use of any center-fire firearm.

An ANTLERED DEER shall mean a mule deer with at least one 2" antler. SPIKES are LEGAL. An ANTLERLESS ELK shall mean an elk with no visible antler (i.e. cow or calf bull). A BUCK ANTELOPE shall mean a male pronghorn antelope with a horn longer than its ear.

In order to hunt on Indian Allotments, the hunter must have landowner permission.

It is unlawful for anyone to intentionally interfere with a lawful hunt, including illegally denying access to trust lands.

If a hunter encounters a locked gate, contact the Department of Fish and Wildlife for assistance.

**** WIN A GENERAL DEER or ELK PERMIT ****

Two (2) separate random drawings will take place for eligible hunters.

1st DRAWING: Four (4) 2011-2012 general hunt permits will be given away as prizes for any eligible hunter who had their animals checked out during the 2010-2011 big game hunt season. Deer check stations will be operated both weekends of the General Deer Hunt and during the doe hunts. All other hunters can have their animal checked out at the Department of Fish and Wildlife Office in Window Rock, AZ, or in the field if a Department of Fish and Wildlife employee is available.

2nd DRAWING: One (1) 2011-2012 general hunt permit will be awarded to any eligible hunter who submits the head of their deer or elk for Chronic Wasting Disease (CWD) testing. Tissue samples can be collected at deer check stations or you can bring the head to the Department of Fish and Wildlife Office in Window Rock, AZ.

These permits do not count against the one permit per species per person. However, an individual is still limited to one permit per hunt code.

A hunter having their deer/elk checked out **and** submitting tissue samples for CWD testing will be in **both** drawings. A hunter may receive only one prize permit/season. Department of Fish and Wildlife employees are not allowed to be in the drawings. For more information, call (928) 871-6450/6451/6452.

NAVAJO SENIOR CITIZEN and NAVAJO VETERAN PERMITS and non-Navajo Spouses

Navajo Senior Citizens, age 60 and older and Navajo Veterans may purchase big game hunting permits (excluding DT, ET, DNS, ENS, DBHS, DD and AG hunts) at half price. **A document showing proof of age must be submitted with each hunt application for Navajo Senior Citizen permits. This also applies to**

leftover permit applications.

Navajo Veterans may purchase big game hunting permits (Excluding DT, ET, DNS, ENS, DBHS, DD and AG) at half price. A copy of DD Form 214 or Honorable Discharge Certificate from the Armed Forces of the United States must be submitted with each hunt application for Navajo Veteran permits. This also applies to left-over permit applications.

NOTE: A person may apply for only a Senior Citizen permit or a Navajo Veterans permit; not both.

Non-Navajo spouses married to Navajos may purchase big game hunt permits (excluding DG-7, DG-12, DT, ET, DNS, ENS, DBHS, and AG hunts) at the Navajo price. A copy of the marriage license, Navajo Spouses Certificate of Indian Blood (CIB), and a notarized affidavit dated on or after May 1, 2010 stating the applicant is still legally married to a Navajo must be submitted with each hunt application. Non-Navajos who are widowed are no longer eligible to apply for Navajo Spouse Permits.

Special Regulations for the New Lands

No shooting is allowed within one (1) mile of any of the range unit housing clusters or rural community, or within one-half (½) mile of any access road to a housing cluster or rural community. No camping is allowed within one-half (½) mile of any natural waterhole containing water (including seeps and/or springs) or manmade facility containing water (including stock ponds and/or windmill troughs) that are available to big game. Off road vehicle travel is prohibited. Portions of New Lands are locked. Permitted hunter(s) can get a key through the New Lands Range office located in Chambers, AZ. Certain portions of New Lands may be closed to hunting. A portion of the revenue generated from the New Lands hunts will be utilized for management on those lands. For more information call the New Lands Range Office at (928) 688-2456.

Navajo Agricultural Products Industry (NAPI) Lands: NAPI is closed to big game hunting.

NAVAJO PERMITS

Navajo applicants may be required to submit a Certificate of Indian Blood (CIB) upon request.

SURVEY CARDS

All big game permit holders must complete and return the big game hunt survey card provided with their permit to the Department of Fish and Wildlife, even if they did not hunt or make a kill. **HUNT SURVEY CARDS ARE DUE WITHIN 30 CALENDAR DAYS AFTER THE END OF THE HUNT THE PERMIT WAS ISSUED FOR.** Failure to return the required survey card by the due date will cause you to be ineligible for the following big game hunt draw. However, you have the option of paying a **non-refundable \$100 PENALTY FEE** and **will only be allowed to purchase leftover permits.** Survey cards will be accepted by mail or in person at the Department of Fish and Wildlife Office only and will be handled in accordance to the Department of Fish and Wildlife Survey Card Handling Procedures. We recommend permit holders mailing a survey card, send it certified mail and/or call our office for confirmation of survey card receipt before the survey card deadline. Survey cards hand delivered to the Department of Fish and Wildlife Office will be dated and initialed by Department personnel. A photocopy of the dated and initialed survey card will be issued back to the permit holder for proof of survey card return. Any big game hunter checking in an animal through a designated check station during the General Deer hunt does not have to return the survey card for that particular hunt.

GUIDE REQUIREMENTS

A GUIDE (OUTFITTER) PERMIT is required for any Navajo who, for pay or gain aids or assists another in the taking of wildlife. **The guide permit does not assure consumer satisfaction. It is recommended that potential clients check references before hiring a guide. Only Navajo tribal members are eligible for a guide permit.**

The Guide permit cost is \$50 per applicant per season. The Guide permit application and payment deadline is **June 11, 2010**.

The following are Guide requirements:

1. Must show proof of Hunter Safety, First Aid Certification, Valid Driver's License, and Motor Vehicle Liability Insurance.
2. Must attend a Department and Navajo Guide Association sponsored Guide Workshop once.
3. Have no felony or more serious misdemeanor convictions in the last five (5) years; and must not be on the Department's ineligible list. If ineligible for not meeting survey card requirements, the applicant is required to pay the \$100 penalty fee in order to receive a Guide permit. The guide will only be eligible for left-over permits.
4. Guides are required to have a written contract with client(s) for each hunt where guiding services are provided. Guides must provide a copy of each contract to the Department of Fish and Wildlife.
5. Each guide must submit a guide report to the Department of Fish and Wildlife by March 31, 2011, whether or not any guiding activities took place. Failure to do so will result in the suspension of guiding privileges for the following big game season. Hunters dissatisfied with guide services may file a written complaint to the Director, Department of Fish and Wildlife. The complaint should be submitted within thirty days of the hunt and should include a copy of the contract, complaint details and any other relevant documentation. See Section 2.05B of the Navajo Hunting and Trapping Regulation Booklet.
