

**NAVAJO NATION
NON-NAVAJO
TROPHY MULE DEER AND ELK HUNTS
2017-2018 SEASON**

The 2017-2018 Trophy Deer and Elk permits are being offered to clients that hunted the Trophy deer and elk hunts during the 2016-2017 season. A returning client that desires the same hunt as last year may apply for the same hunt in 2017, through mail or email. A Navajo Nation Guide is required for all Trophy Hunts. The hunter must be in good standing and eligible to hunt on the Navajo Nation. A Credit Card Authorization Form, Cashier's Check or Money Order must be included along with a completed Navajo Nation Big Game Hunting Application. These forms are available on the Department website nndfw.org. Applications with a form of payment are due at the Fish and Wildlife Office by 5:00 P.M. January 27, 2017. The primary contact for the sale of permits to returning clientele is Vernonda Howard at 928-871-6455.

The number of DTNN-2 hunt permits has been reduced for 2017. If more DTNN-2 hunters wish to return then there are permits available, there will have to be a draw for the 3 permits. If there is a draw, the applicants will be assessed a \$10 application fee at the time they apply. Once an applicant is successfully drawn, the remainder of the permit fee will be charged to the credit card. The draw will be held on January 30, 2017.

Any left-over permits will be available on a first-come, first served basis beginning February 1, 2017. Permits will go on sale in Las Vegas, NV at the Navajo Fish and Wildlife Booth, number 5409, at the Safari Club International Convention at 10:00 a.m. located in the Mandalay Bay Resort and Casino.

For all DT and ET Hunts;

- Hunters must be eligible to hunt on the Navajo Nation.
- Hunters may only possess one big game hunting permit for each hunt code.
- Hunters are required to hire a licensed Navajo Nation Guide.
- All hunters making a kill are required to check their animals out with the Department of Fish and Wildlife in order to submit the lower incisors, a field photo, Harvest report form and trophy score sheet. **Failure to do so will result in the hunter being ineligible for any big game hunts the following season.**
