

# **ATTENTION EM1&2 AND ELK YOUTH HUNTERS!!**

EM1&2 AND YOUTH ELK CHECK STATIONS ARE CANCELLED FOR THE MONTH OF OCTOBER. RIFLE DEER (DG) CHECK STATIONS ARE NOT CANCELLED.

Due to recent surges in the Delta Covid-19 variant and the Public Health Emergency Order No. 2021-017 “Orange Status,” NNDFW will have a limited number of staff in the field and therefore we will be cancelling the previously mandatory EM1&2 and Youth Elk check stations in October. Checking in your deer and elk for these hunts is no longer mandatory; however, we still urge hunters to check in their harvested animals at the main NNDFW office in Window Rock if they can so that NNDFW can take samples for Chronic Wasting Disease testing. To schedule an appointment to check in your animal, please call (928) 871-6450, 8am – 5pm Mon-Fri.

**However; Rifle Deer check stations (DG Oct 23-24 and 30-31) will still be in operation.**

Emails notifying hunters of cancelled check stations will be sent out as well; however, some hunters did not have emails on file. If you know anyone that has a hunt in September and may not have heard about the cancellation, please contact them to let them know. **Thanks!**
